SIGNATURE

Please note it is the sole responsibility of the owner/owners to ensure their boat is secured correctly on the pontoon, with the correct ropes and apparatus. Please notify the office if your boat is away for periods of time to assist us in managing berths. Berthing allocation is at the discretion of the Harbour Master. THA will contact you via telephone or email for vessel communications and to notify you of important information. Please select from the options below those other email communications you wish to receive (tick as appropriate):
Quarterly Newsletter: Monthly News/Blog: One-Off Special Offers:

This agreement will be renewed annually unless notification is received to the contrary.
